Manuscript Number:	Ms_SAJRM_91314
Title of the Manuscript:	The Prevalence and Distribution of Enteric Bacteria in Meat and Meat Products
Type of the Article	Original Research Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalsajrm.com/index.php/SAJRM/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	The introduction must be improved in order to better position the interest of the study. It is also necessary for the authors to expand the references. The discussion part can be improved by comparison with works already published. The conclusion should open on perspectives following this study.	
<b>Minor</b> REVISION comments	See the proposals attached in the manuscript	
<b>Optional/General</b> comments	Accepted for publication after improvement of the introduction and development of the discussions.	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
