

**Editor's Comment:**

**Manuscript Title:** Research on the Mathematics Space Concept of Junior High School Students in China

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the **Draft Word**.

Also,

- The organisation of the manuscript to be checked.
- Check grammer.
  - ✓ to have the text English proofread (mainly the application of articles).
  - ✓ In the text, do not use the first person "we".
- References should be checked.
  - ✓ to elaborate the bibliographic citation and references format according to the needs of AJESS.
