

**Editor's Comment:**

I had gone through the recommendations of the three reviewers. I'd like to go along with their expert views and comments. Thus, I recommend the manuscript for publication after the authors might have effected the corrections suggested by reviewers 2 & 3.

**Editor's Details:**

Dr. Stanley M. Maduagwu  
College of Health Sciences, Nnamdi Azikiwe University, Nnewi Campus, Anambra State, Nigeria.
