

Review Form 1.7

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_96692
Title of the Manuscript:	PHYTOCHEMICAL AND ANTIOXIDANT EVALUATION OF ETHANOLIC EXTRACTS OF HEDRANTHERA BARTERI ON FEMALE ALBINO WISTER RATS
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Yes, because they have done research on albino wister rat with plant extract (Hedranthera barteri) Title ok In abstract they mentioned about antibacterial activity but they reported only antioxidant activity so pls let them check or remove that point from abstract. Ok Ok If possible, please add few references in discussion part Write plant name in italic, why they chosen ethanol for extraction part, why they did not place any rat photo in this article, why did not do gc-ms other some other analysis for compound identification.	
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications?	ok	
Optional/General comments	Need some invitro study before do invivo	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
