	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript seems a thesis form not article form (need to be revised and rewrite it in article form with summarize most of the sections) the following are some of comments but not limit to that: - 1. Abstract too long, I recommend to be revised with no more than 300 words. 2. No need to presents abbreviations and definitions at the beginning of the manuscript, shall be included in the context. 3. In the introduction section mentioned the chapter and there is no chapters' organization in the manuscript. I recommend also to shift the first paragraph (study organize) to the end of the introduction section in a proper way. 4. The analysis discussion need to be revised and rewrite in a proper way. 5. There is no conclusion section of the manuscript. 6. The manuscript does not include references section.
