

### **Editor's Comment:**

With reference to above mentioned manuscript author has revised the manuscript as per comments / recommendation of Hon. reviewers. I will recommend to publish above mentioned manuscript in SAJNP after minor corrections.

list of corrections are

1. Page 4 Material and Method section  
2.5.5 Determination of peroxidase activity  
Paglia and Valentine [27] should be change to Paglia and Valentine [25]
2. Page 10. 3rd line from the top  
Raghavan and Krishhankumar [35] should be change to Raghavan and Krishnakumari [35]
3. Page 10 line 9 from the top  
Nwangwa and Ekhoeye [ 36] and [37] should be change to  
Nwangwa and Ekhoeye [36] and Ezekwe et al. [37].
4. I could not see Figure 1 in the revised manuscript.  
Where is Figure – 1?  
Author should include Figure 1 in the revised manuscript.
5. Reference Section:  
Author should recheck the following references and do necessary corrections as per guideline of SARJNP  
2,7, 9,10,14,22,26,33,36.
