EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. Authors need add data figures and discuss the results of data analysis deeply, adding a discussion on each subject. "Minimum references are 15, and maximum references are 20 years. It is recommended that 2-3 references be added to each discussion topic, and it is suggested to be adjusted. Sufficient and up-to-date references and references must use Mendeley".</p>	<p>Corrected as per the suggestions given, References included as per the research And my submitted paper is a Attitude scale to measure the attitude of farmers towards weather based agro-advisory services, the scale constructed as per the rules and utilised stardard likert scale as a tester. The paper is of novel and original work of mine as a part of Ph.D.</p>
