

Editor's Comment:

The editing has been finalized. Please contact the author to rephrase the following sentence:

Please rewrite this sentence: "According to Yip et al [1] and a 10-year cohort by Anantharaman Ramasamy [7] of 55,968 patients, the right coronary artery appears to be the most predisposed to IACD compared to the left main coronary artery (85% Vs < 15% and 50% Vs 45% respectively)." Changes have been indicated in GREEN text marker.
