Compulsory REVISION comments 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Yes Yes No, Abstract should be more organised and fine in order to make it more informative and comprehensive. Need to make paragraph more comprehensive rather than many paragraph with one or two sentences. Yes Care should be taken to update references and only list at the end those that you use in the article.	
Minor REVISION comments 1. Is language/English quality of the article suitable for scholarly communications?	Need improvement.	
Optional/General comments	A good piece of research work, but need correction with languages. A very sincere correction required for references [For example: Espejo, R. V. (2020) is intext with year 2021 also but not in reference section] Care should be taken to update references.
