

Review Form 1.6

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_91298
Title of the Manuscript:	Effect of Maize and Chickpea Intercropping under the Different Row Ratios on Air Temperature and Vapour Pressure Profile in Crop Canopy
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is a good scientific approach with up-to-date information. The article is well written though the statistical analysis is scanty. Introduction is ok. Materials and methods section need to be elaborate as per the comment in the text. I am not happy in the discussion section as author has compared the results with minimum. Graphical section is quite satisfied.	
Minor REVISION comments	Need to make the article as per the comment in the text.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
