PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This paper needs major revision in few aspects like 1. Selection of plant which is already reported 2. Rationale for selecting part 3. no major changes in histology 4. background of study 5. results needs clarification as discussion 6. no recent work cited for literature of neem against cancer so my suggestion goes major revision with clarification needed in above points	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
