

Editor's Comment:

The manuscript 2023/AJRAF/101798 "Biofortification: A promising solution for combating micronutrient deficiencies and enhancing human health" can be accepted for publication pending the following revisions:

- Add reference for "National Health Survey-2017 study" and include the full reference in the bibliography/references list.
- Add sources below all figures (see figures 1, 2, 3, 4, 5) and include full references in the list.
- Map 1 is to be considered as a figure and a source should be added.
- Add full reference for "Mehanathan et al., 2016" that is cited in the text but not listed.
- For "ICAR" (below table 4), add the publication year to complete the reference citation and the full reference in the references list.
- "Muthamilarasan, M., Dhaka, A., Yadav, R., & Prasad, M. (2016)" is listed but not cited. Please cite or delete from the list.
