<p>1. The abstract has to be in a paragraph</p> <p>2. Methodology needs to be included in detail</p> <p>3. Conclusion needs more comprehension</p>	<p>1. I have given abstract as per the author guidelines according to the journal template. But now I have given in both as paragraph and also in journal template format.</p> <p>2. I have included details in methodology</p> <p>3. Conclusion have been comprehended.</p>
