Manuscript Title: Application of Quantile Regression to the Role of Economic and Social Services on Citizen's Standard of Living in Nigeria

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- The organisation of the manuscript to be checked.
- "Figure 1, 2, 3", these should be checked.
- "Table 1, 2, 3, 4, 5", these should be checked.
- Check gramer.
- In the text, do not use the first person "we"
- to have the text English proofread (mainly the application of articles).

References should be checked.

- The sources used in the text are indicated as follows: (Jeff-Anyeneh & Ibenta, 2019), etc.

Must be: [1],...

- All works cited in the text must be listed in the References.
- to elaborate the bibliographic citation and references format according to the needs of ARJASS.
