

Editor's Comment:

The Manuscript is Primary Data based Original Research Paper. I found the following:

1. The title has clarity.
2. Abstract is relevant.
3. Keywords are enough.
4. Introduction is well mentioned.
5. Material & methods are appropriate.
6. Results and discussion are properly explained.
7. Conclusion is comprehensive.
8. References are sufficient.

I recommend this manuscript entitled "An Analysis of Income Sources and Food Security Status in Haor Regions of Kishoregonj District, Bangladesh" for Publication.

Editor's Details:

Dr. Rakesh Verma
Associate Professor, AKTU Lucknow University, India.
