PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The referencing style used contradicts the journals referencing format. The author(s) are advised to adopt the Vancova referencing style in both index citation and list of references. The font size is not uniform. It is advised that the font size of all sections of the work be made uniform. Further more the discussion of the result was mixed together with methodology. It is advised that the author (s). Discussed the methods differently and also the results differently. Overall, the work is good.	
Minor REVISION comments	There are a few errors of morphology, ranging from wrong spellings, un-italicized botanical names, and incoherent expressions as indicated in the article itself. The authors should effect the highlighted necessary corrections.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
