Yes, this study is very useful to the agricultural policy makers and budding researchers. This study gives the Agricultural Financing system in Tanzania (1991-2022).The researcher found that there is a negative relationship between banks' lending rate and coffee export growth in short-run and long-run.</p> <p>2. The title is ok. – There are so many other factors that also influence the Coffee Export Growth. Why you limited to Banks' Lending Rate?</p> <p>3. The abstract is ok. The researcher used chat GPT for framing the abstract.</p> <p>4. No. the researcher should re-write the introduction part, statement of the problem, objectives of the study etc.</p> <p>5. The researcher used Johansen Co-integration test and vector error correction (VECM) model for analyzing the data. However, there are so many other factors also influence the Coffee Export Growth of Tanzania. Therefore, the researcher should give the proper justification.</p> <p>6. Reference is insufficient. The researcher should add some recent articles used for the study. The researcher should follow APA reference style. APA reference is missing in the article.</p> <p>The researcher used AI tools for framing the article. Therefore, the researcher should re- write the article according to our journal guideline.</p>	
<p><b>Minor</b> REVISION comments</p> <p>1. <b>Is language/English quality of the article suitable for scholarly communications?</b></p>	<p>The English quality is ok not excellent.</p>
