

Editor's Comment:

Comments: This is a very good piece of work on a machine learning-based approach and I have read the manuscript thoroughly. All the reviewers critically reviewed the manuscript and provided good score (Minor revision) in favor of the manuscript for publication. Author(s) feedback to the reviewers is satisfactory. Author(s) also revised the manuscript as per reviewer's comments. After revision submission manuscript is now improved and i am also positive to publish this manuscript in BJI.
