

Review Form 1.7

Journal Name:	Asian Journal of Agricultural and Horticultural Research
Manuscript Number:	Ms_AJAHR_109019
Title of the Manuscript:	INFLUENCE OF BIOCHAR ON PRODUCTIVITY OF MARJORAM (<i>Origanum majorana</i> L.) PLANTGROWN IN SANDY SOIL UNDER DIFFERENT IRRIGATION LEVELS
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> Is the manuscript important for scientific community? (Please write few sentences on this manuscript) Is the title of the article suitable? (If not please suggest an alternative title) Is the abstract of the article comprehensive? Are subsections and structure of the manuscript appropriate? Do you think the manuscript is scientifically correct? Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>Biochar is mainly used for soil application and is known to improve soil nutrient availability, aeration in soil, and soil water filtration. Biochar has been widely viewed as an environmentally positive material for soil.</p> <p>Part Materials and methods should show more in detail. Add the images to prove the resulted study.</p> <p>The title of the article should be showed: INFLUENCE OF BIOCHAR AND IRRIGATION ON PRODUCTIVITY OF MARJORAM (<i>Origanum majorana</i> L.) PLANTGROWN IN SANDY SOIL UNDER DIFFERENT IRRIGATION LEVELS. Should show the abbreviated words (fed?)</p> <p>The Abstract should be written compactly (remove the methods into part Materials and methods, note the text highlight colour words).</p> <p>The data were updated well. References are showed well.</p> <p>Part Conclusion should be showed the best ways in using both irrigation and biochar levels for growing marjoram.</p>	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> Is language/English quality of the article suitable for scholarly communications? 	<p>Note the text highlight colour words.</p>	
<p>Optional/General comments</p>	<p>This manuscript need to be showed compactly but in detail.</p>
