

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<ol style="list-style-type: none"><li>1. The title should be more informative.</li><li>2. Although this patient is an adult, he has neck tumor since childhood. So, I do not think this is rare.</li><li>3. What is the cause of rapid growth? The mechanism was not fully explained.</li><li>4. There are many typographical errors.</li></ol>	<ol style="list-style-type: none"><li>1. Title has been changed as per suggestion of one of the reviewer.</li><li>2. Patient has not given any history of swelling since childhood and nothing suggesting the same has been written in the case report.</li><li>3. There is no history of any rapid growth and it has been mentioned that the progress was gradual over 6 years.</li><li>4. Changes have been made kindly highlight if any more errors are picked.</li></ol>
