	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>1. The manuscript is indeed important for the scientific community. It sheds light on the crucial topic of peace and security in Africa, specifically in Cameroon. This research contributes valuable insights and can help inform policymakers, researchers, and organizations working in this field.</p> <p>2. Yes the title "is suitable for an article. It effectively highlights the focus of this research on the role of the African Union (AU) in maintaining peace and security in Sub-Saharan Africa, specifically in the context of Cameroon. It showcases the international dimension of the topic and the importance of collective efforts in addressing conflicts in sovereign states.</p> <p>3. The abstract provides a comprehensive overview of the article. It effectively highlights the violent conflicts and tensions in Cameroon, as well as the adoption of the Responsibility to Protect (R2P) tenet in Africa. The study's descriptive nature and reliance on secondary data are mentioned. The recommendation to coordinate efforts between the AU and the United Nations in addressing humanitarian needs is also included. Overall, the abstract covers the main points of the article.</p> <p>4. Yes, the subsections and structure of the manuscript appear to be appropriated. Overall, the structure seems well-organized and comprehensive.</p> <p>5. Based on the information provided in the article, it seems that the manuscript has been scientifically researched and presents an analysis of the role of the African Union (AU) in preserving peace and security in Cameroon. However, it is difficult to make a definitive judgment on its scientific accuracy.</p> <p>6. References are sufficient and recent</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>1. Yes</p>	
<p>Optional/General comments</p>	<p>1. The abstract is well written; it is suggested to add some limitations/further direction.</p> <p>2. Introduction is too long.it must be brief and comprehensive. It is suggested to highlight all events mention in introduction periodical order. 3. After Heading Discussion there should be a Heading strategical Framework Here are some strategies that can be adopted to address the issues in the current situation: 1. Enhance security measures to protect civilians and prevent further violence. 2. Facilitate dialogue and reconciliation between different groups involved in the conflict. 3. Provide humanitarian aid and support to affected populations. 4. Engage international organizations and neighboring countries in peacekeeping efforts. 5. Address the root causes of the conflict, such as political and socio-economic disparities. 6. Promote inclusivity, equality, and justice in order to achieve long-term solutions. I hope these points help</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
