

**Editor's Comment:**

I have reviewed all the files about the JERR 107920 paper, titled "A multi-stage optimization strategy based on fuzzy QFD and fuzzy Swara to adopt blockchain technology in the drug supply chain". I see that the authors have not satisfactorily responded to referee Yog's suggestions. At least, authors should specify the significance of a multi-stage optimization strategy based on fuzzy QFD and fuzzy Swara to adopt blockchain technology in the drug supply chain in Introduction section. Also, the authors must add in the first column of Table 1, the reference numbers in square brackets.
