If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>The study of "A multi-stage optimization strategy based on fuzzy QFD and fuzzy Swara to adopt blockchain technology in the drug supply chain" has involved a lot of work from the authors. The manuscript has been presented in an attractive manner. There are recent references provided. However, there are a few areas where authors can make the manuscript better. Below are some suggestions that will improve the manuscript and benefit a wide range of readers.</p> <p>1. Authors should clearly specify the significance of A multi-stage optimization strategy based on fuzzy QFD and fuzzy Swara to adopt blockchain technology in the drug supply chain in Introduction section</p> <p>2. Under Literature review add Challenges and Objectives</p> <p>3. If possible then add block diagram or system architecture</p> <p>4. Under the Data analysis, if possible add table for comparing performance of proposed system with existing systems.</p> <p>5. Under Data analysis, add the Main findings</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	----
