YES(the study undertook an in-depth investigation to establish the truth from the perspective of unknown to a known phenomenon systematically by following correct scientific procedures and approaches)</p> <p>2. YES.</p> <ul style="list-style-type: none"> I would prefer "The Impact of Social Media on General welfare of Students in University of Technology and Applied Sciences in Nizwa, Sultanate of Oman .. INSTEAD OF" The Impact of Social Media on Academic Performance, Health and Social Interaction of Students in University of Technology and Applied Sciences in Nizwa, Sultanate of Oman. The academic performance, health and social interactions should have been under the study variables and objectives <p>3. YES, To some extent</p> <p>4. YES(though the introduction section should have shown " a more general to specific world view perspective in relation to the study's context)</p> <p>5. YES</p> <p>6. YES</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>1. YES, (Except, i Observed wrong use of joining word " AND" where it is not required</p> <p>2. The author should use " TOTAL POPULATION" as the correct scholarly language instead of " TOTAL NUMBER of ..."</p> <p>3. The author should review and use proper tense where necessary(i.e. past and present tenses)</p>	
<p>Optional/General comments</p>	<ul style="list-style-type: none"> The conceptual framework requires adjustment/ additional important study variables (especially the outcome variables).
