Thus, tea production forecasting is critical.</p> <p>I would suggest: Forecasting Tea Production and Yield in India: The Box-Jenkins Approach</p> <p>Yes.</p> <p>Yes.</p> <p>Yes. However, the forecast value in Table 5 should be named "one-step-ahead forecast". Also, please state the name of x-axis and y-axis in Figure 2.</p> <p>I would like to make additional suggestions: Please state limitation of the study in the conclusion such as the model should be stationary. Please state suggestion for future research such as the need to use a forecasting model that does not require stationary. For example: state-space model. Please add policy implications in the conclusion (read and add the following paper in the reference: https://www.thejaps.org.pk/Volume/2022/32-06/abstract/13.php)</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>There are some grammatical errors. For example, in page 2: In this paper contributes should be written this paper contributes. Also, please use ref in a proper way. For example, in page 3, (Islam et al., 2020) should not be in the beginning of a sentence. Please use professional proofreading service.</p>
