

Editor's Comment:

I invite the authors to clearly explain the corrections made in response to the Reviewers's requests (requests that the Authors say they accept) by highlighting these corrections in yellow as recommended by the Editor.

For the moment, these corrections (if any) do not appear explicitly and it is only after these requests have been correctly taken into account that the revised text can be resubmitted.

Editor's Details:

Dr. Jean Beguinot
University of Burgundy, France.
