

Editor's Comment:

Please write *Alternaria* in place of *alternaria* in the abstract.

Please describe water analysis results briefly (Fig 1.1a: to Fig 1.1n:). Also mention the station name as Fig caption. For example A=....., B=.....C=..... and D=.....

Decision: As the reviewers provide satisfactory marks on the articles and after going thoroughly in to the revised version of the article I found the article is substantially improved.

My decision on the article is accept.
