

Editor's Comment:

The manuscript 2023/AJAEES/96479 is interesting and has been improved in the revised version. As I checked, the authors took into account the comments and suggestions of the reviewers and the manuscript.

However, it is necessary before the paper's publication, authors enrich the manuscript with more references, and after that can be published in the present form (as it is).

Editor's Details:

Dr. Fotios Chatzitheodoridis
Professor, University of Western Macedonia, Greece.
