EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. The authors should subject the document to a MS word spell and grammar check. The lack of this makes the document difficult to read. I have not gone through the whole document because of this finding.</p> <p>2. The authors should go through the whole document properly with the help of an English speaker and writer.</p>	<p>Thank you for these valuable comments, dear editor Spelling and grammar check have been corrected in the manuscript</p>
