

Editor's Comment:

I have seen the revised manuscript, and the review's reports,
and I have the following comments:

- Discussion is too little, only a few lines, the result must be discussed in a well-way
- Conclusion also, is too little.

Editor's Details:

Dr. Hani Rezgallah Al-Hamed Al-Amoush
Associate Professor, Institute of Earth and Environmental, Al al-Bayt University, Jordan.
