	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Yes	
1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. (Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)	Yes is ok because , the paper has provided an overview on the historical and present state of salient knowledge in the field of disability and special education in Zambia. Yes Yes Not at all, the references are too small for a paper very rich like this one. It should be mostly current and more references to be cited to make it more highly acceptable.	
Minor REVISION comments	Yes	
1. Is language/English quality of the article suitable for scholarly communications?		
Optional/General comments
