### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	The article presents the results of a research on the importance of social actions in public health capable of promoting innovative solutions and transformation of communities to learn, live with and overcome the problems of mothers who have premature children and remain in hospitals for treatment. The article is too long, perhaps it would be better to publish it as a book chapter. If they wish to publish as an article, I suggest that the authors synthesize the entire text further. <a href="#">My suggestions are indicated in the text</a>	
<b>Optional/General</b> comments
