

**Editor's Comment:**

**Editorial decision:** I have read throughout the manuscript, reviewer's comments and then revised manuscript. Based on reviewer's comments, marks provided and subsequent revision submission of the manuscript i am thinking the manuscript is now sufficiently improved and could be published as a review article in Biotechnology Journal International. So my editorial decision is accept on the manuscript.

**Editor's Details:**

Prof. F. M. Aminuzzaman  
Sher-e-Bangla Agricultural University, Dhaka-1207, Bangladesh.
