Manuscript Title: Early Warning Systems in The Southern African Development Community: A Necessity

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the Draft Word.

Also,

- The organisation of the manuscript to be checked.
- Check grammer.
- to have the text English proofread (mainly the application of articles).
- References should be checked.
- to elaborate the bibliographic citation and references format according to the needs of CJUST.
