### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p><b>A) Abstract:</b> Kindly conclude your abstract in the last sentences</p> <p><b>B) Highlights:</b> The written highlights are too long. Kindly summarized it</p> <p><b>C) Introduction:</b> The introduction states clearly the objective of the paper and provides an adequate background of the study. However, the author did not make any in-text citation for the certain facts that have been taken from the previous researcher.</p> <p><b>D) Methodology:</b> Materials and methods are clear but the author needs to make citations if the method is taken from a previous researcher.</p> <p><b>E) Results and Discussion:</b> All of the results are not discussed in detail. The author just mentioned the value based on the figure but did not compare the outcomes with the previous researcher. The introduction of the figure is also missing.</p> <p><b>F) Conclusions:</b> Conclusions are sufficient</p> <p><b>G) References:</b> - All of the references are out of date. Kindly update the references. - Kindly check the format of the references</p> <p><b>H) Tables and Figures:</b> All of the figures and Tables can be improvised</p> <p><b>I) Grammar and Language:</b> There is a major grammatical error in the paper. The author can use a software like Grammarly to help improve the quality of the write-up.</p>	
<b>Minor</b> REVISION comments	Kindly update the references as the majority of your references are out of date	
<b>Optional/General</b> comments	N/A
