If you have suggestion of additional references, please mention in the review form.</b> <u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u>	The answer is YES. This manuscript is pointing important matter during the life of women in the reproductive age. PCOS is one of the serious problems in women that makes them infertile. While there are many treatments but still all women do not get better. Therefore, Yoga could improve this matter with decreasing the symptoms and improving the hormone balance.  Yes  Not enough  Satisfying Yes References are old and should be corrected according to the journal's instructions. This manuscript has English drawbacks in wording, grammar and sentences. References must be checked and rewritten properly. This manuscript is lacking the concept and the mechanism of the effects of the Yoga. Therefore, discussion and conclusion should be focused of the mechanism of the effects gained from experimental articles.	
<b>Minor REVISION</b> comments 1. <b>Is language/English quality of the article suitable for scholarly communications?</b>	No, it needs attention.	
<b>Optional/General</b> comments
