

Editor's Comment:

Manuscript Title: Perception of Teachers and Principals on Professional Development Needs, Types, Impacts, and challenges: A case study under Trashigang Dzongkhag

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked on the **Draft Word**.

Also,

- The organisation of the manuscript to be checked.
- Check grammer.
 - ✓ to have the text English proofread (mainly the application of articles).
 - ✓ In the text, do not use the first person "my, we, our".
 - ✓ In the text, do not use the second person "you".
- References should be checked.
 - ✓ to elaborate the bibliographic citation and references format according to the needs of AJESS.
