

**Editor's Comment:**

Please find my editorial decision on the manuscript below.

Title: Evaluation of Total Hydrocarbon Contents in the Leaves of Selected Crops Grown on Crude Oil Polluted Agricultural Soil

I have read the manuscript carefully. The reviewers are positive in favor of publication. They reviewed the manuscript critically and send their peer review reports. The authors also revised the manuscript carefully following reviewers instructions and comments. The manuscript is improved after revision submission. I think the manuscript should be in process for publication in BJI.

Editorial decision: Accept.
