Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> Is the manuscript important for scientific community? (Please write few sentences on this manuscript) Is the title of the article suitable? (If not please suggest an alternative title) Is the abstract of the article comprehensive? Are subsections and structure of the manuscript appropriate? Do you think the manuscript is scientifically correct? Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>The topic of the research is practical and contemporary</p> <p>The abstract is fair and does not represent the paper as a whole. This abstract is missing the methodology used, sources of data, analysis scheme, and conclusions [see suggestions in attached Manuscript corrected and marked up]</p> <p>The keywords are adequate</p> <p>The introduction and background are brief but clear. To end the Introduction, mention the objectives and then how is this paper divided!!</p> <p>The methodology is not addressed. Must be added. How were the literature review articles chosen???</p> <p>The Review of Literature Your review should have been divided in such a way to address each of your promised dimensions in this research: legal protection and regulations to protect financial markets from fraudulent activities, market manipulation, insider trading, financial market crimes, and other forms of misconduct.!!! Using subtitles....</p> <p>You need to add many citations to the list of references to avoid Unethical use of Inflation of Citations... Almost all references in the list are extra and not used in the text leading to unethical inflation of use of references... Must be removed or added where applicable?????</p> <p>Classify the content of Table 1 as per the objective's elements!!!</p> <p>The discussion needs restructuring and reorganization to become clearer and streamlined. Work out the conceptual problems marked in the Manuscript!!! See suggestions [see details in corrected manuscript]</p> <p>Nevertheless, you did not discuss the best practices implemented around the world??? How to validate the works reviewed???</p> <p>The conclusion and recommendations are about adequate Recommendations must be elaborated further Any limitations????</p> <p style="padding-left: 40px;">Review carefully the references' write-up for consistency, completeness, and to match the Journal requirements... Add all the missing citations to the list to avoid the unethical use of Inflation of Citations!!</p> <p>Proofreading is needed</p>	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> Is language/English quality of the article suitable for scholarly communications? 		
<p>Optional/General comments</p>
