| <p><b>Optional/General</b> comments</p>  | <p>The authors present the manuscript (Ms_IJPSS_100517) "Effect of nano potassium and nano zinc on growth and yield enhancement in wheat (<i>Triticum aestivum</i> .L)" to be considered an <b>original research article</b> for publication in the <b>International Journal of Plant &amp; Soil Science</b>. In general, the original article is well written and I believe this one gives a good overview of the mentioned topic. Although all these positive points, I have some concerns, which I believe should be considered before the Editors final decision. The authors failed in relation to some points of the article, such as in the abstract, introduction, reference and citation.</p> |   |
