If you have suggestion of additional references, please mention in the review form. <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>The manuscript is very simple. The introduction required more literature review. The method for the soil analysis is missing in the M&M section. The experimental design is appropriate but the statistical analysis is missing and on the table and figures as well no statistical analysis is there. The title is subjective, and the abstract is comprehensive. The abstract need to be reviewed for English. Recent reference was required reference, I suggested some. Minor correction and recommendation are provided in the attached doc need to be addressed before accepting the manuscript for publication.</p>	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> 1. Is language/English quality of the article suitable for scholarly communications? 	No English editing required.	
<p>Optional/General comments</p>	Minor revision
