

**Editor's Comment:**

Taking into account the results of evaluation process and two review reports of the manuscript 2023/AJFRN/102164 entitled "An Evaluation of Anti-hyperlipidemic Activity of Ethanolic Extract of Cinnamomum tamala leaves in High Fat Induced Rodent Model", I can state that the authors complied with reviewers' comments, so the article can be accepted for publication in Asian Journal of Food Research and Nutrition.
