<p><b>Optional/General</b> comments</p>	<p>Observations: -Why the authors do not put all bibliographic cites? I believe, is important de recently references, but especially in the Introduction, may have some old and important cites. -Some time ago, I reviewed a very similar research, but using different fertilizers Sulphur and foliar application of Iron with excellent results on growth and yield of lentil. Ms_IJECC_100920. -Both works were produced by researchers from the same University, it would be interesting the communication among the authors, If they are not the same.</p>
