

**Editor's Comment:**

Please see attached file for this manuscript. I will suggest acceptable provided all changes (in red ink) were corrected.

1. There should a blank space between number and unit.
2. Units such as minute, second, etc. should be abbreviated.
3. First used abbreviation should be spelled out (as reviewer indicated).

**Editor's Details:**

Dr. Kuo-Wei Lin  
Professor,  
Providence University, Taiwan.
