

Editor's Comment:

Thank you for your e-mail. With regard to editorial decision on manuscript 2023/AJRID/101669. Based on reviewers scores and revision has been made by author(s), the manuscript is acceptable for publication after revision of the titel of the manuscript as reviewer (CKS) has proposed, chronological citation of the references in the body of article should be done, and typographic mistake corrections should be done. Have a nice time.
