<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>It is of the utmost importance. Exposes a current problem: the increase in resistance in enterobacteria, associated with animals</p> <p>Yes It should be made clear that the 20 samples come from 15 farms to avoid confusion</p> <p>Yes Yes</p> <p>Yes</p> <p>1.- Some suggestions: 2.- The abbreviations AR and MDR must be clarified before using them 3.- In this part: Study Area "The study was carried out using fifteen (15) fish farms denoted by A, B, C, D, E, F, G, E, F, G, H, I, J, K, M, N and O in Abakaliki, Ebonyi"..... The highlighted letters are repeated</p> <p>4.- The comment about heavy metals is interesting, however, it was not studied by the group, so I think it should not be put as a possible cause. If it could be put into the weaknesses of the study or as a proposal for new research.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	Yes	
<p>Optional/General comments</p> <p>Good article. Easy to read. Interesting. Methodology well explain.</p>		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
