<p>Optional/General comments</p>	<p>The topic of the manuscript is extremely important and updated, not only in the domain of the profession, but also from the point of view of public health and the necessary measures for the improvement of primary and secondary prevention measures. The manuscript is original and it is in the scientific field of the Journal. Considering that the problem of drug abuse is always increasing from year to year, has a large share in the total morbidity and mortality of the population of the World, as well as in the Republic of Indonesia, this puts it in the group of addictions with an exceptional priority, and the topic of the manuscript " Analysis of Rehabilitation Services for Addicts and Victims of Drug Abuse Quality at the National Narcotics Agency of North Sumatra Province, Indonesia" can be considered important. I propose the manuscript for publication.</p>
