(If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>1. One year a calf is really a challenge for a dairy farm to be profitable and has a significant importance for the scientific community. RBS is a rising issue affecting the production potential of a cow.</p> <p>2. Suggested to write: RBS- A challenge of one calf a year or Infertility A challenge of one calf every year.</p> <p>3. Write about importance of one calf every year. Are u studying the importance of RBS then RBS its symptoms and herbal treatment should be written. What do you mean by functional hurdles.</p> <p>4. There is no demarcation of introduction and review. Divide the review into major headings as nutritional , breeding and health practices adopted. Under these write subheadings as importance of balanced feeding before, during pregnancy. Under breeding as importance of heat detection, AI handling etc, which breed to use for AI etc. Hurdles, RBS etc comes under health practices. Give in detail about RBS Write how these factors are responsible for economic loss Finally the conclusion</p> <p>5. Needs more revision</p> <p>6. Latest references above 2000 needs to be added.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Language is ok Write the crisp of functional hurdles as how uterine pH is a hurdle. The factors should be written in simple language.</p>	
<p>Optional/General comments</p>	<ul style="list-style-type: none"> ➤ There is repetition of word "the" ➤ In introduction the gist of the literature to be reviewed should be written ➤ Factors affecting one calf a year should be written ➤ Why RBS is important should be mentioned. ➤ Census should be written in one sentences.
