

### **Editor's Comment:**

The manuscript "Assessment Of Heavy Metal Contamination Of Soil In Mechanic Workshops At Naked And Orji, Owerri Zone, Imo State, Nigeria (manuscript #: 2023/JSRR/100260) needs minor typographical corrections.

It is also suggested to update the reference section, as it was also recommended by one of our honorable referees.

The following minor corrections are suggested.

#### **ABSTRACT**

Write very slight to slight, last lines.

#### **Introduction**

Add s, after metal "heavy metal are" line 6

Add has, before been,

#### **Material and Methods**

Add s, after begin "the rainy season which begin in April to October", last line

Plate 1 is not cited in the text, It is suggested to change Plate 1 to Figure 2.

Modify the caption as: Figure 2 Collected soil samples in polythene bags.

The description of Table 3 is missing in the text.

Be consistent, while writing unit of concentration of heavy metals, either as mg/kg or mgkg<sup>-1</sup>

After incorporating the suggestions, the manuscript is acceptable for publication in the Journal of Scientific Research and Reports.
