

Editor's Comment:

I thank you for your kind request for editorial decision for manuscript number:

2023/AJBGE/101450 Title: In vitro Evaluation of Anticancer Activity of the Methanolic and Aqueous Extracts of the Petals of *C.tinctorius* L., (Safflower Florets)

I support the publication of the revised version of Manuscript in the Asian Journal of Biotechnology and Genetic Engineering .

I hope in our further successful collaboration.

Editor's Details:
